2018 Dues Increase

The AMLGC Board of Directors has voted to increase the yearly dues for 2018 to \$125.00. This is the first dues increase in several years. Due to the increased cost of maintenance materials, such as gravel, and the upcoming expenses of range improvements, the dues increase was considered necessary. The point was made at the board meeting that there is no other gun range in the San Antonio area, either private or public, that currently offers the same facilities and access for anywhere near the same cost.

Membership Renewal

All current club members are reminded that club dues for 2018 are due by the Annual Business Meeting to be held on January 6th, 2018. Renewing members may pay their dues at the Business Meeting or send their dues to our Treasurer, John Burke. His address is 4306 Waterwood Pass Drive, Elmendorf, Texas, 78112.

All renewing members must also sign a lien release for the year. The lien release is available on our website AMLGC.org. If a check is received without the lien release, it will not be processed until the lien release is received.

November Work Party

We need all hands on deck! A work party will be held Saturday, November 4th, starting at 8:00 for general clean up and maintenance of the range, office area and bathrooms. If you have a weed eater or riding lawn mower, please bring it along. We would greatly appreciate everyone's help! If you have any questions, contact Gary Quant at gquandt2000@yahoo.com.
