Match Guidelines:

All First Sunday matches will be shot with a 14 lb. maximum weight rifle, any metallic sights. Projectile will be a patched round ball only for rifle matches. NMLRA, TMLRA, NRA, and local club rules will apply for all matches. Matches will start at 9:00 a.m. Arrive and set-up by 8:30 if you want to practice. We will have 4 to 6 relays for the rifle matches. Pistol matches may use round ball or conical bullets. Revolvers must use coated / treated wads or grease to prevent chain fires, or only load one chamber at a time. Shooters will have to make 6 shoots to qualify for awards in rifle and 4 shoots to qualify for awards in pistol. There will be 2 floating classes; 1/3 will be A-class and 2/3 will be B-class. If a shooter misses a match because he/she attended a conflicting TMLRA or N/SSA match, there will be an opportunity to make up a match, on request. The make-up will be scheduled before the next club match on a date set by the match committee. A member of the board will be present to witness the shoot.

*Events marked in italics are not held at our range. These are included because if a shooter misses a match because he/she attended a conflicting TMLRA or N-SSA match, there will be an opportunity to make up a match, on request. The make-up will be scheduled before the next club match on a date set by the match committee. A member of the board will be present to witness the shoot.
