Match Guidelines: All First Sunday matches will be shot with a 14 lb. maximum weight rifle, any metallic sights. Projectile will be a patched round ball only for rifle matches. NMLRA, TMLRA, NRA, and local club rules will apply for all matches. Matches will start at 9:00 a.m. Arrive and set-up by 8:30 if you want to practice. We will have 4 to 6 relays for the rifle matches. Pistol matches may use round ball or conical bullets. Revolvers must use coated / treated wads or grease to prevent chain fires, or only load one chamber at a time. Shooters will have to make 6 shoots to qualify for awards in rifle and 5 shoots to qualify for awards in pistol. There will be 2 floating classes; 1/3 will be A-class and 2/3 will be B-class. Classes are fixed after the September match. If a shooter misses a match because he/she attended a conflicting TMLRA or N/SSA match or served as RSO, there will be an opportunity to make up a match, on request. The make-up will be scheduled each quarter on a date set by the match committee. A member of the board will be present to witness the shoot.

22lr Silhouette Fun Shoot: 22lr silhouettes will be shot off-hand with chickens and turkeys at 25yd and pigs and rams at 50yd. There will be a scope and iron sight class. 4H or underage shooters will shoot in a Jr. class and may shoot from the kneeling position. Ammunition shall be standard velocity and empty chamber flags will be required to be inserted any time the shooter comes off of the line.

Trap Fun Shoot: 25 shots per round. Ammunition is limited to 3 dram equivalent powder charge and shot size no larger than 7 1/2.
